

“WE ARE COMING FATHER ABRAHAM”

Old Bedford Village is proud to announce the
3rd Annual
UNION SOLDIERS AND CIVILIANS ENCAMPMENT
“We Are Coming Father Abraham”
to be held on Labor Day Weekend
September 5 and 6, 2020

This is an all Union Army event which includes both military and civilian re-enactors recreating life during America's Civil War.

Village Buildings will come alive as Bedford prepares to send her sons off to War.

We invite you to join us for a weekend of living history, as we recreate the August, 1862 raising of Bedford County's Co. F, 138th Pennsylvania Volunteer Infantry, in response to President Lincoln's call for 300,000 more troops.

This event will feature a recruiting and training camp, using the U.S. Army Regulations of 1861. The Camp will feature other U.S. Army departments and functions that would have existed during the time.
